“Satago are second to none in the communication between their team and ours. The account was set up in record time and the speed at which you can drawdown funds is the fastest by far.”

– **Vaughan Roberts**, Director, Carbon247

Benefits that matter

For your clients

- Fast cash drawdown
- Fully confidential
- Bulk pricing discount
- Fund 120 days from date of invoice
- Less paperwork: we only require sample invoice verification
- Automated month end reconciliation: saving a day's admin each month
- Great customer service: our team is always on hand
- Up to 90% advance rate

For you

- Get 20-25% of the arrangement fee up front, then 20-25% of the monthly service fee ongoing for the life of the client
- Get an extra £1000 bonus for every three clients you introduce to us over a rolling 12-month period (clients must have funded within the last three months)

To access Full Invoice Finance from Satago, clients must:

- Be a UK-based limited company and sell on credit to UK limited companies.
- Invoice in the UK in GBP.
- Have an annual turnover of £400,000 or more.
- Have been trading for at least 12 months.
- Have accounting software and an open banking connection.

Additional Information

- Minimum facility limit: £100,000
- Maximum facility limit: £2m
- Minimum 12-month contract
- We will generally require a debenture and personal guarantee
