“We found Satago’s fees and customer service to be excellent. We soon had the account set up and were financing our first invoice, which was in our bank within hours of approval.”

– Peter Overton, Kladworx Ltd.

Benefits that matter

For your clients

- **Fast decisions:** within 48 hours of application
- **Quick drawdown:** within 24 hours of approval
- **Flexible:** fund individual invoices with no long-term contract
- **Competitive rates:** 2% - 3.5% per 30 days
- Automated reconciliation, saving hours of admin
- **Great customer service:** our team is always on hand
- Up to 90% advance rate

For you

- Get 20-25% of the arrangement fee up front, then 20-25% of the monthly service fee ongoing for the life of the client
- Get an extra £1000 bonus for every three clients you introduce to us over a rolling 12-month period (clients must have funded within the last three months)

To access Single Invoice Finance from Satago, clients must:

- Be a UK-based limited company and sell on credit to UK limited companies.
- Invoice in the UK in GBP.
- Have an annual turnover of £100,000 or more.
- Have been trading for at least 6 months (startups considered where appropriate business plan and cashflow forecasts are available).
- Have accounting software and an open banking connection.

Additional Information

- Minimum facility limit: £5,000
- Maximum facility limit: £2m
- Minimum 12-month contract
- Satago will request a sample audit trail, e.g. purchase order or contract from your client. We may request additional information from your client
- We will generally require a debenture and personal guarantee
